## 'Time and the Conways' Opens June 8 for Five-Day Run

"Time and the Conways", sixth and final production in the 1949-50 drama season, will open Thursday, June 8, for a five-day run.

The play will introduce the policy of presenting a professional guest artist in a lead role. Pat Ironside, former San Jose State college drama major, will initiate this policy in the part of Mrs. Conway.

The play relates the unusual experiences of an English family as they are projected twenty years into the future, then brought back again. The author, J. B. Priestly, has experimented with this theme in other plays, such as "Dangerous Corner". "Time and the Conways" is believed to be his most successful treatment of the subject.

Members of the cast include Bert Graf as Alan, Gwen Samuelson as Madge, Jim Jensen as Robin, Gwen Dam as Hazel, Shirley Wilber as Kay, Dorothy Williams as Carol, Joan Buechner as Joan Helford, Cliff Roche as Ernest Beevers, and Jim Clark as Gerald Thornton.

John R. Kerr is directing "Time and the Conways". Costumes are under the supervision of Bernice Prisk and Chez Haehl, with settings by J. Wendell Johnson. Alden Smith is supervising the unusual make-up problems.

Tickets for "Time and the Conways" are on sale now in the Speech office.

## The Weather

June starts busting out all over today. And in appropriate fashion, too. The forecaster says continued fair today with a rising mercury. Yesterday's scale skidded to a comfortable high of 82 with a low of 50. Skies were breezy and clear.

## TC Captures Trophy in IFC 'Spring Sing'

By JEANNE THOMAS

Theta Chi fraternity walked off with the gold perpetual Spring Sing trophy last night at a sparsely-represented organizational song fest in the Morris Dailey auditorium.

Nosing out the two competing groups, Delta Theta Omega and Sigma Alpha Epsilon, the Theta Chi group sang "Lover Come Back to Me" and "Just a Memory."

Selections chosen by DTO were "Bali Hai" and "Cool Water". SAE offered "Sweetheart Song" and "Stout-Hearted Men" to the near-capacity audience.

The reason given by two campus groups for their last minute withdrawal from the annually-sponsored Inter-Fraternity Council event was insufficient rehearsal.

A 6:30 p.m. meeting, called by members of Delta Sigma Gamma at their S. Third street house, has also been cited by fraternity men as further incentive to withdraw. With participating fraternities nearly unanimously represented, all but three groups seceded from the "Sing".

Reason given for the meeting and the subsequent loss of entries was the "undue publicity" given Sigma Alpha Epsilon. The local SAE chapter was to be host, and not sponsors of the event, as previously announced in the Daily.

"The meeting was in no way connected with IFC and was held without their sanction. It was impossible to call an emergency council meeting at that late date to postpone the affair until a Daily correction could be made," according to Stu McCullough, IFC president.

## Council Takes \$35,000 Grant

At the last meeting of the Schaeffer ASB Council administration yesterday afternoon in the Student Union, the council voted to accept the \$35,000 surplus of the Spartan Shop.

Suggestions made by the Spartan Shop board as to disposition of the funds were also accepted. Largest item on the list is the allocation of \$12,000 for the purchase of a new school bus.

Committees to investigate the purchase of the bus and to oversee the disbursement of \$9398 to clear the deficit of the P.E. department will be appointed at next Tuesday's meeting of the new Student Council.

## Recognition Assembly To Present 200 Awards

Morris Dailey auditorium will be the scene of the annual SJS Recognition assembly this afternoon from 12:30 to 2:30 o'clock. More than 200 students will receive awards for meritorious service and academic achievement, according to Bob Madsen, chairman.

Phil Ward, senior, and Jinx Johnson, sophomore, will be cited for

outstanding service to the college on the recommendation of Dean Paul M. Pitman.

Dr. T. W. MacQuarrie, SJS president, will give the opening address. Presentation of Council keys to outgoing members and introduction of the new Student Council will follow.

Highlight of the assembly will be the announcement of new members to the honorary organizations. These include Black Masque, senior women's honorary; Spartan Spears, sophomore women's honorary; and Spartan Shield, sophomore men's honorary.

Two special awards will be given during the afternoon. They are the Chi Omega social science citation for the outstanding woman social science major, and the Alpha Al Sirat award for the leading commerce major.

Meritorious service awards will be mailed to recipients this year, rather than by personal presentation, according to Madsen.

## Drive Outlook Good--Pitman

An optimistic outlook on the ultimate success of the Memorial Chapel fund-raising on campus is held by Paul Pitman, dean of men.

The faculty, alumni, and many organizations have as yet not completed their efforts, and are the reason for Dean Pitman's optimism.

"I am disappointed in the slowness with which individuals and organizations on campus are responding to the chapel enterprise," Dean Pitman said.

"While it is distressing to me, I am in no sense disheartened. I am confident that the response of the student body is as yet incomplete, and I am also sure that the faculty will be surprisingly generous," he continued.

Contributions to the Memorial Chapel fund will be accepted at any time in the Graduate Manager's office.

## Seniors! Get Ball Bids Now!

Two more days are open for members of the senior class to purchase ball bids, according to Co-Chairmen Russ Benioff and Gale Morelock.

June 17 at the Bay Meadows race track will be the time and place of the senior stomp, traditional pre-graduation formal affair.

Freddy Martin and his orchestra will be the highlight of the evening. This is the first time in many years that a "big name" band has been hired for a SJS dance, according to Morelock.

The leather-bound bids, now on sale in the Graduate Manager's office sell for \$3.60.

## Register Today

Today is the last day for teacher training candidates to pre-register for restricted education courses to be given during the Summer Session and the fall quarter, according to the Education department. Sign-up is in Room 61.

## Student Y Retreat

Today is the last chance for students to sign up for Student Y Retreat, according to Jim Martin, executive secretary.

Price for the three-day weekend will be \$4.50 including transportation. The Retreat will be held June 2-4.

Members of the class in camp counseling will hold their "Cook Out" in conjunction with the Y Retreat. Activities including discussion groups, dancing, swimming, and other forms of recreation are planned.

## UP ROUNDUP

### Acheson Outlines US China Policy

WASHINGTON, May 31—Secretary of State Dean Acheson warned in an extra-ordinary report to Congress and the American people today that world peace may hang on the swift build-up of Western power against Russia.

However, the high point of his report came when he disclosed that the United States will not fight to the end to keep Communism out of the United Nations.

# College Gives 317 Honors to June Graduates

The Registrar's office has released the names of 317 San Jose State college honor graduates for the 1949-50 college year.

Of this number, 77 students will be graduated with great distinction. These students have completed their college work with a 2.3 or better grade point average.

Students being graduated with distinction, those who have made a grade point average of 2.0 to 2.3, total 149. Departmental honors have been given to 191 students.

## Columbia Awards Ph.D. To Charles L. Walker

Columbia university recently conferred a doctor's degree upon Charles L. Walker, associate professor of physical education at San Jose State college. He has been a member of the college faculty since 1931 and holds a B.S. degree from International YMCA college at Springfield, Mass., an A.B. degree from San Jose State college and an M.A. degree in physical education from Columbia. His doctor's thesis was on "Personnel Services in Physical Education for Men".

Dr. Walker was born in Morganton, N.C., and spent his boyhood in Bluff City, Va. Most of his youth was spent in Lancaster, Pa., where he attended high school. After graduation from high school he worked two years before entering college.

He entered the YMCA college in Springfield in 1927 and graduated four years later. He played quarterback on the varsity football team and was a swimmer for three years, taking second in the New England diving championship meet in 1929.

In 1931 Walker came to San Jose State college as soccer coach. When the swimming pool was completed in 1932 he started swimming classes and a swimming team. Soccer was dropped in 1935 and water polo took its place.

Walker's summers were spent either in advance study or in Red Cross swimming instruction on the Russian river.

## College Heads Return Home

Dr. Thomas W. MacQuarrie, college president, Mr. E. S. Thompson, business manager and Mr. Glen Guttormsen, accounting officer, returned from Sacramento yesterday after attending a two-day meeting of college presidents and fiscal officers.

The meeting was called by state education officials to discuss policies in connection with the 1951-52 budget.

According to Dr. MacQuarrie, Glenn "Tiny" Hartranft, head of the college P.E. department, and Dr. Paul Leonard, president of San Francisco State college, were placed on a committee that will attempt to determine how much material and supplies can be used by state college P.E. departments.

Reporting for the fiscal officers, Mr. Guttormsen pointed out that in the sessions he and Mr. Thompson attended, discussion centered around new payroll procedures, accounting methods, and the veteran termination program.

Scheduled to go into effect Sept. 1, 1950, is a new "centralized payroll" affecting California state colleges. According to Mr. Guttormsen, under this plan, payrolls will be drawn up in Sacramento and sent out complete to state colleges. At present, each college makes out its own payroll.

## Library Trial Period Ends! Results June 6

A month-long experimental period of extended library service came to a close yesterday, but results of the trial period will not be forthcoming until June 6.

On that date, according to Librarian Joyce Backus, the Library Staff committee will decide whether or not longer hours are necessary. The committee will examine attendance statistics and draw conclusions accordingly.

The trial period was authorized by President T. W. MacQuarrie after 1300 students signed petitions requesting additional "open" hours at the close of April.

The heavy scholastic loads brought about by the granting of the master's degree was one of the reasons for the demand.

Miss Backus declined to comment on the outcome "until statistics can be tabulated and compared."

Regular library hours will resume today. These include: Monday through Thursday, 8 a.m. to 9:30 p.m.; Friday, 8 a.m. to 5:30 p.m.; Saturday, 9 a.m. to 1 p.m.

Reserve Book room hours are: Monday through Thursday, 7:30 a.m. to 9:30 p.m.; Friday, 7:30 a.m. to 5:30 p.m.; and Saturday, 9 a.m. to 1 p.m.

## Alumni Office Requests List Of Reunions

Is your organization planning a reunion event for spring homecoming, June 17?

If so, the Alumni office requests notification so that the event may be listed on the official homecoming program.

Tau Delta Phi, tower fraternity, so far is the only organization that has listed any events. "The boys who walk the plank" will hold their annual spring breakfast in the morning and open house in the afternoon.

Organizations are asked not to schedule events which will interfere with the following: homecoming luncheon from 12:30 to 2:30 p.m.; the showing of "Hail, Spartans, Hail", from 2:30 to 3:15 p.m.; or the alumni dance from 9 to 1, June 17.

## Student to Recite

Miss Doreen Staight will present her paper, "Know Thyself", tonight at the last meeting of the year for the Philosophy club in the Philosophy building.

A group discussion and plans for next year's projects will follow the 8 p.m. recitation, according to Louis Gandy, president.

## PCL Arbiters to Ump All-Star Baseball Tilt

By ROSS MASSEY

Jack Powell, head umpire of the Pacific Coast league, and Al Mutart, also from the PCL, will officiate the Independent and CIBA Senior All-Star game at Municipal stadium tomorrow night.

Pete Albini, a local umpire, will complete the group of umpires.

The outstanding player of the contest will be picked by an impartial Selection committee, and will be presented with tickets for at least two games of the 1950 World Series. The Selection committee includes Harry Wolter, retired Stanford coach and chairman of the Game committee; Kenneth Conn, former baseball writer and now executive editor of the San Jose Mercury Herald and Evening News; Frank Bramhall, San Jose director of recreation; Sol Klein, Stockton merchant, and Earle J. May, president of the Palo club.

The ticket presentation will be made by lovely Lee Van Doren, 18-year-old San Jose State freshman from South Pasadena, who was chosen as College Senior All-Star Game Queen.

Ralph Romero, starboard flinger who had a 5-won and 5-lost season record for the Spartans, will open on the mound for the Independents. "Lefty" Hal Toso, smooth-working Santa Clara, will open for Patty Cottrell's CIBA All-Stars.

Ralph "the old beaver" Romero, ace Spartan chucker, will start on the firing line Friday night for the Independent All-Stars. Ralph won five games this year for the local nine.

## SJS Gridders Display Their Bag of Tricks

Close to 200 SPAR-TEN club members and their families were treated to a special preview of the 1950 San Jose State college varsity football team at Spartan stadium last night. The SPAR-TENS were feted at a barbecue earlier in the evening on the college campus by the P.E. department.

Prior to the special football session, the club members were conducted on a tour through the footballers' dressing quarters and shown players' equipment and the process of chalk talks preceding the drill.

Coach Bob Bronzan introduced the varsity squad members to the club members, with interesting sideline anecdotes of each player. The Spartans then proceeded to go through a regular practice session with Bronzan explaining and personally demonstrating maneuvers and reasons for each drill.

The very interesting evening's demonstration was climaxed with an all-out scrimmage with "M.C." Bronzan ad libbing on the side, pointing out highlights of the plays. SPAR-TENNERS were presented with a full night of entertainment and interesting information.

## IFC to Sponsor Inter-Frat Meet

The Inter-fraternity council track and field championships, will be held Saturday morning and afternoon on the Spartan field oval.

Junior Morgan, recently appointed as track coach at Campbell high school, will act as the clerk of the course with other notables from the SJS athletic world officiating.

Trial heats for the sprints and hurdles will be run off Saturday morning, according to Bob Brady, chairman of the IFC trackfest. Finals for the eight track events and six field events will be staged in the afternoon.

The Violets of SAE will be after their fourth successive team triumph. The South Fifth streeters annexed the 1949 meet handily, tallying 47½ points to runner-up Kappa Alpha's 222 1/6.

A new and larger trophy will go to the winner of the 1950 event. The first organization to win the

team title three years will gain permanent possession of the trophy. SAE's victory last season was the third for the Violets, so the old statuette is now the property of SAE.

The eight track events on the 1950 agenda will include the 75 and 80 yard dashes, 330, 660 and 1320 yard runs, 120 yard high hurdles and 180 yard low barriers and the four-man 880 yard relay. Events to be held on the track include the shot-put, javelin throw, high jump, pole vault, broad jump and the baseball throw.

## Hilburn Defeats Wilkinson 11-5 In Opening Day Tennis Upset

One upset highlighted opening day play in the spring term All-College tennis tournament yesterday. Unheralded Hank Hilburn turned in the first upset, defeating Bud Wilkinson in a best of 21 game series, 11-5 at Spartan village.

First round play will end today with five matches on the Backesto park courts and seven at Spartan village. Second round play will get under way Saturday.

In yesterday's action, four matches were taken by default. Bob Phelps, Warren Van Dusen, Keith Cakebread and Audrey Averback defeated Dan Inveen, Fred Jobs, Dick Nissen and Jack Hanselman by default. Miss Averback is the only woman contestant in the tournament.

Scores for the remaining matches:

## Basketball Team To Meet Beloit On Eastern Tour

San Jose State college took another successful step toward lining up a major basketball schedule for its eastern trip this coming season.

Beloit college, long a powerhouse in midwestern play, will play host to the Spartans, Jan. 4, 1951, according to Danny Hill, athletic publicity director.

Scheduling of the Wisconsin team marked the second big name school to play the Spartans. Last week it was announced that San Jose will meet Manhattan college in New York, Dec. 30, 1950.
